# **FAQ & CREDIBILITY**

## **Q: WHY DON'T YOU LIST EXACT PRICES?**

League pricing depends on quantities, customization, and shipping location. Listing flat prices would be inaccurate and misleading.

Our process ensures leagues receive accurate, wholesale-based pricing with full approval before production.

- Minimum quantities vary by product
- Turnaround depends on item and volume
- Rush options available upon request
- Reorders supported season to season
- Sponsor branding welcome
- Bulk and direct-to-door shipping options available
